Quarter calls and releases

To the North

We call to the element of earth

We call t the warrior from the North

To join us in this sacred rite

We call for your gifts of protection and prosperity

And to bring the stone of sovereignty into this rite

Hail and welcome!

To the North

We thanks and release the element of earth

We thank the warrior from the North

For joining this rite

Hail and farewell!

To the East

We call to the element of fire

We call t the warrior from the East

To join us in this sacred rite

We call for your gifts of courage and intuition

And to bring the spear of victory into this rite

Hail and welcome!

To the East

We thank and release the element of fire

We thank the warrior from the East

For joining this rite

Hail and farewell!

To the South

We call to the element of air

We call to the warrior from the South

To join us in this sacred rite

We call for your gifts of communication and logic

And to bring the sword of truth into this rite

Hail and welcome!

To the South

We thank and release the element of air

We thank the warrior from the South

For joining this rite

Hail and farewell!

To the West

We call to the element of water

We call t the warrior from the West

To join us in this sacred rite

We call for your gifts of adaptability and fluidness

And to bring the cup of compassion into this rite

Hail and welcome!

To the West

We thanks and release the element of water

We thank the warrior from the West

For joining this rite

Hail and farewell!

Evocation of 3 Realms:**Upper:**

Call: We call to the realm above, the angels and arch angels and the spirits that dwell there. Join us in this sacred rite and bring us your wisdom which we seek.

Release: We thank and release the upper world, the angels and arch angels and the spirits there that came. Return to your realm and may there always be peace between us.

Lower:

Call: We call to the realm below, and the fey, the faery races and the spirits that dwell there. Join us in this sacred rite and bring us your wisdom which we seek.

Release: We thank and release the lower world, the fey, the faery races and the spirits there that came. Return to your realm and may there always be peace between us.

Middle: We call to the middle realm, the ancestors, the hidden company, especially our military ancestors from before, join us in this sacred rite and bring us the wisdom which we seek.

Hail and welcome!

Release: We thank and release the middle realm, the ancestors, the hidden company, and our military ancestors and the spirits there that came. Return to your realm and may there always be peace between us.

Hail and farewell!

Evocation of Goddess: We call to Hecate, Queen of all the witches, a mother to us all. She who is Maiden, she who is mother, she who is crone. Warrior Goddess, protect us and join us in this ritual to guide and guard us. Hail and welcome!

Devocation of the Goddess: We thank and release Hecate. We thank you for joining us in this rite in perfect love and perfect trust. Stay if you will, go if you must. Hail and farewell!

Evocation of God: We call to Zeus, God of the sky, thunder, wind and lightning, God of war, wind and justice. Be with us this night and evermore. Join us in this ritual to guide and guard us. Hail and welcome!

Devocation of the God: We thank and release Zeus. We thank you for joining us in this rite in perfect love and perfect trust. Stay if you will, go if you must. Hail and farewell!

Evocation of Goddess 2: We call to the Morrighan, she who is Maiden, Mother, and Crone, goddess of the battlefiled, lady of the lake, and she who rides her white horse. Goddess of war, protection, and Queen of the fairies. Join us in this ritual to guide and guard us. Hail and welcome!

Devocation of the Goddess 2: We thank and release the Morrighan. We thank you for joining us in this rite in perfect love and perfect trust. Stay if you will, go if you must. Hail and farewell!

Evocation of God 2: We call to Lord Lugh, the Shining one. God of war, magick, healing, and martial arts. Join us in this ritual to guide and guard us. Hail and welcome!

Devocation of the God 2: We thank and release Lord Lugh. We thank you for joining us in this rite in perfect love and perfect trust. Stay if you will, go if you must. Hail and farewell!
